Conspiracy of Kings 282-319 NC

Change is not always good, but it often is, now known as Sounis, has changedAdverb
since becoming the king of Sounis. Before claiming the throne, he was a fragile boy often found
the depths of the megaron library reading, and if he wasnt doing so, he would have been with
his tutor. Most days, he would wake up, study, eat, study some more, and go to bed. Once in a while he would
have sword fighting training, but not a daily basis. Sounis is not the same now. He is currently a great negotiator
in the palaces of the peninsula alongside the leaders of Eddis and Attolia. While in meetings with the other three,
he often yells! when he doesnt like what they say used to be embarrassed to
Preposition his love for Eddis, but now they are going to be married, causing Eddis to lose her power as
the queen of Eddis. Sophos was trapped as a slave of Hanaktos, and learned to be more mature there. He became
much more of a leader while hiding away in the fields of Hanaktos land. He killed a man while
in Elisa, in fact the man was Hanaktos himself, became more of a regular type of king.
Sounis has changed for the good, not the bad, and it is helping him greatly.
