7. Preposition
8. Noun

# Nothing to Fear by Olivia

Every minute 267 babies are born, and 108 people die in the world. One of the births and deaths was in the Garvey household. Mr. Garvey died \_\_\_\_\_ Adverb \_\_\_\_\_, \_\_\_\_\_ Conjunction \_\_\_\_\_ Danny just found out. Danny was confounded at the thought, and Mrs. Garvey must have been confounded too. Danny was going to leave to find his Pa to help out his Mom, but then Maggie made him change his mind when he \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_ to her before \_\_\_\_\_ Pronoun \_\_\_\_\_ was about to leave. When Danny was putting the things away he was going to bring with him he found his fathers wallet in his Mothers dresser with all the letters his Mom wrote to his Pa. He looked inside of the wallet and found a \_\_\_\_\_ Adjective \_\_\_\_\_ and rained on letter inside. He didnt want to read it, but then finally gave in and read the letter. On the inside it said his Pa died while trying to jump onto a train with a man named Harold, the husband of the wife who wrote the letter. The person who wrote the letter was Hannah Bartlett, and her husband stole the wallet from Mr. Garvey. Harold said he felt horrible for taking the wallet. \_\_\_\_\_ Interjection \_\_\_\_\_! Think of how Danny would feel about all the things happening in his family. The birth in the family was of Patrick. Originally Mrs. Garvey wanted the baby to be named Padraic, but Danny thought he would be made fun of about his name at school since it sounded really Irish. Patrick was the solution instead of Padraic. He was a scrawny baby, but Mrs. Garvey knew he would get some meat \_\_\_\_\_ Preposition \_\_\_\_\_ his bones as time went by. One \_\_\_\_\_ Noun \_\_\_\_\_ was added to the count of babies born, and one death was added to the count of deaths.
