A Special Wedding

Okay, I've just finished planning my wedding. Everything is going to be so Adjective I've ordered Number Colour Plural noun from the local florist, which I'm going to use to decorate the church, along with some Adjective Colour Plural noun and some Adjective Colour Plural noun which I'm going to set alight to give a Adjective atmosphere. There are going to be around Number guests attending, including the Monarch and Famous person. The colour theme is Colour and luminous Colour and the bridesmaids are going to be wearing Adjective Articles of clothing with Plural noun printed onto them. My dress will be mostly Colour but with a big Colour bow. After the Adjective ceremony, we are going to travel to the reception venue by Mode of transport. The reception will be held in the local Shop where everyone will be able to drink lots of Liquid and Liquid and eat tons of wedding Food as well as a big buffet including Food Food and Food. The song as I walk up the aisle will be the traditional, 'Here Comes the Bride', and for the first dance, there will be a selection of music from my favourite movie, Movie. It's going to be totally Adjective.
