An Ode to My 3rd Grade Teacher

My _____^{Adjective} Mrs. Flory,

I'm so sad to say, but our year together has come to a close. You, by far were the best teacher that I could've had in Third Grade. I will always remember our wonderful times of learning, creating and laughing together.

I really loved watching cool YouTube Videos on Fridays. I looked forward to them all week long!

Thank you for taking us on such cool field trips too. They were a lot of fun.
