You. With your voice like Noun and Noun-Plural that you use against me. You. Have knocked
me off my feet again, got me feelin' like I'm nothin'.
You. With your voice like nails on a, callin' me out when I'm
You. Pickin' on the man.
Well, you can take me down with just single blow. But you don't know what you don't know.
Some. Day. I'll. Be. Livin' in a ol' city and all. You're. ever gonna be is
Some. Day. I'll. Be enough so you can't hit me and all you're ever gonna be is
Why you gotta be so?
You. With your switching sides and your walk-by lies and your
I'll just try to block you out cuz I'll never impress you.
I just wanna feel ok again.
I'll betcha got pushed around.
Somebody made you
But the cycle ends right now cuz you can't lead me down that road and you don't know what you don't know.
Some. Day. I'll. Be. Livin' in a ol' city and all you're ever gonna be is

Why

you gotta be so?
(music music blah blah blah)
And I can see you years from now in a bar talkin' over a game.
With that same big opinion but nobody's listening.
Drunk and talkin' about the same old things.
Washed up and ranting on about how I can't sing
But all you are is
All you are is
And a lier.
And pathetic.
And alone in life and mean.
And mean.
And mean.
And mean.
And mean.
But some. Day. I'll. Be. Livin' in a big city and all you're ever gonna be is Adjective
Yea-ea! Some. Day. I'll. Beenough so you can't hit me and all you're ever gonna be is
