A Movie Plot

The movie Chip-wrecked is about chipmunks getting stranded on an _______. They try hard to survive but it's hard to find good ______. One day later they end up fighting over a _______ like a bunch of on the island. Brittany and Alvin end up having to build a house out of ______ Noun - Plural _____ from the beach because Simon got bit by a <u>Noun</u> that messed up his brain and made him all <u>Noun - Plural</u>. Brittany's house was way bigger and better then Alvin's. The whole thing started just by the chipmunks flying off a <u>Noun</u> ship on a <u>Noun</u> and landed on the island. At night they made a ______ with wood on the beach to stay warm because it was chilly. But, Theodore just ended up blowing it out and made them all cold again. There's many more exciting events that happen during the chipmunks island adventure. At the end they make a Noun boat and sail out into the ocean with their dad Dave. Then a Noun finds them and takes them to their original destination the music awards contest. This is a fun and funny must-see movie.
