Tower of Babel

Now the whole _____^{Noun} had one _____^{Noun} and a common _____^{Noun}. As people moved eastward, they found a _____^{Adjective} in _____^{Proper Noun} and settled there. They said to each other, "Come, let's make _____^{Noun - Plural} and bake them thoroughly." They used _____^{Noun} instead of stone, and _____^{Noun} for mortar. Then they said, "Come, let us build ourselves a city, with a _____^{Noun} that reaches to the heavens, so that we may make a _____^{Noun} for ourselves; otherwise we will be _____^{Verb - Past Tense} over the face of the whole earth." But the Lord came down to see the city and the _____^{Noun} the people were building. The Lord said, "If as one people speaking the same _____^{Noun} they have begun to do this, then nothing they plan to do will be impossible for them. Come, let us go down and confuse their _____^{Noun} so they will not understand each other."

So the Lord _____^{Pronoun} them from there over all the earth, and they stopped building the city. That is why it was called _____^{Proper Noun} because there the Lord confused the language of the whole world. From there the Lord _____^{Verb - Past Tense} them over the face of the whole earth.
