Best class ever

The best class I ever had was the _____^{Noun} fest. We got out of _____^{Noun} early to go outside to have
_____^{Noun}. There were a lot of oppsticles that were _____^{Noun} and gross and a lot of them got you soaked
. The first one I did was went in the _____^{Noun} on a tube. One of them I had to slush around in
_____^{Noun} and try to find _____^{Noun - Plural}. My favorite was the _____^{Noun} slide. It doesn't make
much sense though cause the mud slide was made of _____^{Noun} and water. That was my favorite
_____^{Noun}.
