# The little Katie you could...

Katie Mckenna seems to have a Adjective problem. She broke her foot Verb ending in ING off a Adjective stair in her garage. She is on crutches now but it seems like those will do no good in the sand because she always seems to Verb and fall. Katie Mckenna decides that she needs to build a fake leg so that she can play on the beach with everyone else. Katie quickly gathers together all the Adjective material she can. She goes to A Store and buys some wood, glue, and Noun. Unfortunately, she runs into Kid in the group at Same store and quickly gets embarrassed and turns Color because she doesn't want anyone to know about her fake leg. Same kid in the group asks, "What are you doing here, Katie?" Katie gets nervous and says, "Random Excuse" and leaves. Katie will forever have the nickname of Funny Adjective leg.
