## The Tale of the Magical Fiancee

Once upon a time, there was a belle named AJ, who fell in love with a Adjective
southern gentleman named Gray. They met in the summer at the body of water in Michigan, and boy, did
they hit it off. They moved to thegeographical region together where they both worked intype of job
It was a match made in Year's later, he proposed that they get, and she
said "exclamation!"
One day, as she was heading home from work on mode of transportation in a storm, a bolt
of lightning hit the Noun and zapped her. When she got off the Noun, she wasn't the same. She
caught herself in a window reflection on the, and saw that her work had been
replaced by swanky Noun - Plural! She ran home to show her fiancee, who was quite emotional
state- past tense From that day forward, when she got home from, her outfit magically
transformed into She was, he was very, and they lived
their life in passionate, glory. They both lived ever after, the end.
