# Invertebrates vs. Vertebrates

For my birthday, my parents took me to the beach. I love the beach because there are so many things to see. A lot of the things at the beach are classified as \_\_\_\_\_ Adjective \_\_\_\_\_ because they do not have a backbone. I like to find \_\_\_\_\_ Noun \_\_\_\_\_ at the beach and take them home. Some people eat types of \_\_\_\_\_ Noun \_\_\_\_\_ for dinner. Other people eat \_\_\_\_\_ Noun \_\_\_\_\_ which is an arthropod. One thing I do not like is \_\_\_\_\_ Noun \_\_\_\_\_. They can really sting you. I also like to watch birds and fish in the ocean. These are called \_\_\_\_\_ Adjective \_\_\_\_\_. I have seen whales and dolphins which are \_\_\_\_\_ Adjective \_\_\_\_\_.
