Dear Fapper...

Dear Fapper

Congratulations. It's the end of the Noun. You just graduated highschool and you'll be going to some god-forsaken state tech Noun in the fall but not yet. Right now you have some time to Verb.

So kick back; even pretend you're Adjective. You can probably keep that up for a couple of days, right?

Let's not Verb - Base Form. You probably don't even know what Verb - Present ends in ING is (Math class doesn't count). So get excited because you, lucky you, get to come to Proper Noun a whole week early!

But wait! There's more! You also get Noun. Seriously. Kind of.

So you probably think I'm kind of a jerk for giving you Same Noun; actually I'm pretty Adjective.

My name's DC Name and I'll be teaching you to be just like Noun. Actually I'll just be teaching you to Verb - Base Form like me. Actually, I hope I can teach you to Verb - Base Form well

Let's worry about that when you get to Same Proper Noun.

Now, about that Same Noun. You may have noticed some Noun - Plural missing from this

Noun. I like to think I'm pretty hilarious but, if you want to know a secret , I bet you're

Adjective. So I'd like you to take a shot at making this letter Same Adjective (and cogent!). Or if

you'd rather relax feel free. It shouldn't affect your GPA too much.

Your Proper Noun Cownselor
