crazy lady

Well, one day my friend and his dog drove a Noun ,and there was this lady who said she wanted to drive ,because she gets Proper Noun easliy.So my friend he did not let her drive and the window beside him was opened so the lady Proper Noun out of the Noun ,and then she Proper Noun away and drove to Location .She was one Verb - Base Form and all of the Noun - Plural was still on some had kids some had Noun and some had Noun .Well, she wasnt thinking about that and so it was a Noun truck. So she found out that there were Noun so tryed them and it was so loud it busted Noun drums.
