# The Best Dessert Ever

My name is \_\_\_\_\_First Name of a Person\_\_\_\_\_, and I'm a chef. My assistant is \_\_\_\_\_First Name of a Person\_\_\_\_\_. Together we make the best desserts. Yesterday we made ice cream \_\_\_\_\_food\_\_\_\_\_. Today we are making \_\_\_\_\_food\_\_\_\_\_ cupcakes. You need: whip cream, ice cream(preferrably \_\_\_\_\_flavor\_\_\_\_\_), cake mix, and toppings. You will need a 5x12 bowl, a spoon and pan. First you make the cupcakes. Then you cut them in half and scoop out the middle. Put a spoonful of whipcream in the middle. Then heat them for \_\_\_\_\_Number\_\_\_\_\_ minutes. after that, frost them with whip cream. Then add your toppings and enjoy!!!!!! We sold \_\_\_\_\_Number\_\_\_\_\_ of them.
