a day at the carnival

one Noun i went to the carnival it was very Adjective. when i got there we first went on the roller coaster roller coaster. i almost through up! but then we got hit in the head with flying stingray poop! then we rode the Animal (plural)! then me and my dog maddie rode the flying rollercoaster! she loved that ! but then my dog bella wanted a ride to so we went on the roller coaster roller coaster!

we had so much fun i cant wait till next time!

p.s. you know wonder dog? my dog probably wants to be him now!

p.s.s this is all fake
