For The Happy Couple:

My name is Real Name and I've known the couple for Number years. When I heard they were getting married, I shouted: "Interjection!" I am so Adjective that Christina and Matt are trying the Noun. They have to be the most Adjective Noun and I wish them Noun for many years to come.

My advice for the Adjective marriage is to always talk. Christina, you should always Verb.

Matt, you should always Verb even when you don't feel like it. For date nights, go to Location

and don't forget to Verb.

I wish you a lifetime of health, happiness, and Adjective Noun - Plural. Congrats on the

Adjective marriage!
