# The Amazing Race

There is a story of a \_\_\_\_\_ Adjective and creative girl named Haley. She created an Amazing Race party for her 18th birthday. She invited her crazy \_\_\_\_\_ Noun to come and join in the \_\_\_\_\_ Adjective party. They will kayak and paddle board and bike ride and solve puzzles. They will eat yummy hamburgers and \_\_\_\_\_ Adjective hotdogs and red licorice and \_\_\_\_\_ Noun. They will drink generic dr. pepper and they think it's delicious!! They are all fiercely competitive and they all believe winning is everything! The four teams were created through a lot of \_\_\_\_\_ Adjective and screaming and debating. Let the games begin. Happy 18th Birthday Haley!!
