# Travis and Shannaya

Travis and Shannaya like to play outside in our big \_\_\_\_\_ yard. The yard is safe for them and has a large \_\_\_\_\_ all the way around it so the dogs can't get out and \_\_\_\_\_ away from home.

Shannaya likes to jump up and catch \_\_\_\_\_ that fly by. She also catches \_\_\_\_\_.

Travis gets mad and \_\_\_\_\_ growls and \_\_\_\_\_ at Shannaya because she is too

\_\_\_\_\_ to share her catch with him. We have to take a \_\_\_\_\_ bag outside and get the creatures

they fight over. We picked up 2 \_\_\_\_\_ and \_\_\_\_\_ last week, Travis

has a stuffed \_\_\_\_\_ . It is his favorite \_\_\_\_\_ to play with. He chews it and likes

\_\_\_\_\_ with it a lot. Shannaya prefers to play \_\_\_\_\_ . We throw a \_\_\_\_\_

for her and she \_\_\_\_\_ to get it and bring it back to us. They can be very \_\_\_\_\_ and

good dogs. But the worst is when they \_\_\_\_\_ outside of the window and they bark and \_\_\_\_\_

for us to throw them food and scraps of \_\_\_\_\_ to eat.
