How I Discovered Vocaloid

One day on my _____
_____ I was watching Nyan Cat. Then I decided to check the _____
_____ comments on the video. In the comments there was a _____
_____ argument about who sang the original
Nyan cat. There were comments like, "You _____
_____, Hatsune Miku sang it first!" and "How could Hatsune
Miku have sung it first, Hatsune Miku instead of _____
_____, not Nyancat!" and I thought to myself "What's

_____, some sort of meme?" so I looked up vocaloid on google and found lots of _____
_____ songs. After a while I loved vocaloid! My two favorites are _____
_____ and _____
_____. I
also love _____
_____ even if _____
_____ isn't a real vocaloid!
