5. Verb - Present Ends In Ing
6. Noun

# A Mad Mobile Day

I woke up seven minutes \_\_\_\_\_ Preposition or subordinating conjunction \_\_\_\_\_ my alarm today - too little time to fall back asleep  
, and too much time to be completely \_\_\_\_\_ Adjective \_\_\_\_\_ that I'm missing 420 seconds of \_\_\_\_\_ Adjective \_\_\_\_\_ snooze  
time. The today show is on while I get ready for work, coffee \_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_, breakfast  
\_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_, and zero clean socks.....I decide to pull off the "Key West" business look and head  
to work sock-less. Today, I'll need to convince everyone in the office that I'm a trend setter, not \_\_\_\_\_ Noun \_\_\_\_\_.
