The Princess and the Monster

Once upon a time there was a beautiful princess who lived in a palace. All of a sudden a giant monster

_____ her! "oh no!" said the prince, "what am I going to do?". Then he had an idea. "I know, we

can _____ an arrow at it, then we can _____ it! Then we can _____

_____ the princess!" So he _____ all his friends and they _____ the monster.

When the princess was _____ everyone was very happy. The End.
