7 Things by Miley Cyrus

I shouldn't say this
But at times I get so
When I think about the previous
Relationship we shared
It was but we lost it
It's not possible for me not to care
And now we're Verb - Present ends in ING in the Noun
But nothing's ever gonna change
Until you hear, my dear
The things I hate about you!
The things I hate about you, oh you
You're, your games, you'reAdjective
You love me, you her
You make me, you make me
I don't know which side to buy

Your

friends, they're Noun - Plural
When you act like them, just know it hurts
I wanna be with the one I know
And the thing I hate the most that you do
You make me you
It's and silent
As I wait for you to say
What I need to hear now
Your apology
When you mean it, I'll believe it
If you text it, I'll delete it
Let's be clear
Oh, I'm not coming back
You're taking steps here
The second things I hate about you!
The things I hate about you!
You're Adjective, your Noun - Plural, you're insecure

love me, you her
You make me, you make me
I don't know which side to buy
Your friends, they're
When you like them, just know it hurts
I wanna be with the one I know
And the thing I hate the most that you do
You make me love you
And compared to all the great things
That would take too long to write
I probably should mention the that I like
The things I like about you!
Your, your eyes, old Levi's
When we I'm hypnotized
You make me, you make me
But I guess that's both I'll have to buy

Your Part of Body in mine
When we're intertwined, everything's alright
wanna be with the one I know
And the thing I like most that you do
You make me love you, you do
