

# Michal

1. Adjective
-

# Michal

Michal was two years old and at that time Mommy and Tati had over some \_\_\_\_\_ Adjective \_\_\_\_\_ seminary girls for shabbas. Michal would watch the girls get ready for shabbas, blowing their hair, putting on makeup, etc.

Sometime later Mommy found Michal standing up on a chair, next to the mirror and sticking her finger in her eye.

"Michal, what are you doing?"

"I'm putting on lenses."
