## WELCOME TO 7TH GRADE ENGLISH

Today was the first day of school. I was a little nervous because I'd heard some rumors about
our new grade English teacher. Don't get me wrongsome kids thought that Mrs. Clark was
, but there were many who thought she was the teacher they'd ever met. Other
kids from last year told us how Mrs. Clark would to the front of the classroom then
Verb - Base Form Adverb to get the class's attention. If a student got out of line, he or she could
count on Mrs. Clark to, then, then, then But most of the time
, Mrs. Clark was very unpredictable. So you see, many of us were a little when we first entered
the classroom. The walls were covered in Adjective , noun - Plural and
Noun - Plural hanging from the ceiling! But what I noticed first was what my Adjective teacher
was wearing. I don't know about the other kids, but I have never seen a teacher wearing pants that
before. The vest she wore looked like something out of, and on her head was a(n)
Adjective Noun worn just like a hat. Some of us weren't sure whether to laugh or to cry, but we
were polite and she didn't seem to notice our faces. Whatever they say, one thing is for certain:
this is going to be a(n) year!
