Seducing a Woman over the Phone

Hi, girl name. I understand that you are currently at awesome event. Please know that I don't normally do this, but I would love for you to strip down to your article of clothing and follow my instructions closely. If done correctly, I will get you where you need to go in number less than one minutes flat. Don't be concerned that we haven't met and don't be concerned that I'm some kind of awesome occupation. Just say a small prayer to favorite celebrity chef that you have been randomly chosen to be pleased to the highest degree. Now, find a small, private location. Go there. Are you there? Good. Now, take off same article of clothing. Take it all off. You will start by taking your extremity and dirty verb ending in ING it all over your dirty part of body. How does that feel? Good? Yeah, I bet it feels good. Keep dirty verb ending in ING. Faster. Harder. Now pull on your different dirty body part. Pull it just hard enough to the point of crazy pain or crazy pleasure. Do you feel that crazy pain or crazy pleasure? Good. Now dirty verb harder. Faster! The article of clothing from before you took off earlier? Put it in your orifice. We don't want people hearing your screams of pleasure. Or do we? DO you work in a office with hot chicks looking to get down? Get the orifice out of your mouth! Get those other girls in! Keep dirty verb ending in ING! Faster! Harder! Three, Two, One....! You're welcome. Barney, out.
