I got to school and ran into Mr. Murphy on my way to first period. He's a <u>Adjustive</u> teacher. After a number of classes and the <u>Adjustive</u> job of signing syllabus papers, it was finally time for lunch. I sat on a <u>Noun</u> with my classmates and we discussed summer vacation. One of my friends was showing us pictures on his phone when Mr. Melia appeared and <u>Verb-Past Tense</u> it. As the day <u>Verb-Past Tense</u> on, I was getting more and more <u>Adjustive</u>. By the time the final bell rang, I had <u>Number</u> hours of homework and a backpack full of papers. It's going to be a <u>Adjustive</u> year...
