# Runescape quest

(quoted from The \_\_\_\_\_  
Noun \_\_\_\_\_  
Noun - Plural \_\_\_\_\_)

To start the quest, speak to the Guildmaster in the Champions' Guild, located just below the southern entrance of \_\_\_\_\_  
Location \_\_\_\_\_. After talking to him, you will be directed to Oziach, located in a tiny \_\_\_\_\_  
Noun \_\_\_\_\_ situated just south of the Wilderness and north-west of the Edgeville bank, directly north from the Edgeville lodestone.

Oziach says that, to be able to purchase a rune \_\_\_\_\_  
Item \_\_\_\_\_ from him, you will have to \_\_\_\_\_  
Noun \_\_\_\_\_ Elvarg, the \_\_\_\_\_  
Adjective \_\_\_\_\_ female dragon, residing within Crandor Isle. He will tell you to re-visit the Guildmaster for information on how to kill Elvarg.

Go back to the Guildmaster. Talk to him about the map pieces, about protection against \_\_\_\_\_  
Noun \_\_\_\_\_, and about buying a \_\_\_\_\_  
Item \_\_\_\_\_. After \_\_\_\_\_  
Verb - Present ends in ING \_\_\_\_\_ to him about the map pieces, he will provide you with a \_\_\_\_\_  
Noun \_\_\_\_\_ key. (If you do not talk to him about all \_\_\_\_\_  
Number \_\_\_\_\_ things, you will not be able to move on)

Travel to \_\_\_\_\_  
Location \_\_\_\_\_ and speak to Duke Horacio on the \_\_\_\_\_  
Number \_\_\_\_\_ floor[] of the Lumbridge Castle.

Ask him about "a shield that will protect you from a dragon's \_\_\_\_\_  
Noun - Plural \_\_\_\_\_," and when he asks you which dragon you're going to use it to fight against, tell him that you will be slaying the \_\_\_\_\_  
Adjective \_\_\_\_\_ Elvarg of Crandor

He will then give you an anti-dragon shield and tell you a bit more about the story of Elvarg and the fall of Crandor.

To reach the island of Crandor, you need to obtain a Crandor map, but, for the safety of the \_\_\_\_\_ Noun - Plural of Asgarnia, the map has been torn up into \_\_\_\_\_ Number pieces and stored in different places. You need to gather each map piece from these locations to complete the Crandor map.
