# My Work Week

At the beginning of the month we were informed a team of \_\_\_\_\_ Noun - Plural from a few offices across the U.S. would be \_\_\_\_\_ Verb - Present ends in ING us for a week of " \_\_\_\_\_ Adjective Camp". My company is trying very hard to build up its reputation and the more the salespeople know about their newest branch of services, the better for everyone. I only knew two people from the list, one from a previous visit and one purely through \_\_\_\_\_ Adjective calls. The rest were all new. We hosted the group last week and I have to say, the salespeople really know how to \_\_\_\_\_ Verb - Base Form !

We were invited out to dinner two nights in a row and everything, even the \_\_\_\_\_ Adjective beverages, was paid for by the company. I wound up going out three nights (two of which were a bit \_\_\_\_\_ Adjective) with the salespeople and added a few \_\_\_\_\_ Adjective stories to my bank. For example, getting \_\_\_\_\_ Verb - Past Tense by \_\_\_\_\_ Number guys in the same night from the same office, although I'm sure they weren't aware of it until the next day (they were both super \_\_\_\_\_ Adjective), watching the big boss parallel park a girl's car for her because her \_\_\_\_\_ Adjective parking skills became a bit of a side show, having to hop up onto the hood of my friend's \_\_\_\_\_ Noun to jump over my gate at 3:30am because I forgot my \_\_\_\_\_ Adjective \_\_\_\_\_ Noun and breaking my purse...and that's just to name a few. I never \_\_\_\_\_ Verb - Past Tense so hard in all my life it seemed when my esteemed \_\_\_\_\_ Noun and I finally saw each other at work the next day after we both \_\_\_\_\_ Verb - Past Tense hard the night before with a few \_\_\_\_\_ Adjective guys. Recalling everything that happened and all that was said truly made the 2.5 hours of sleep, the sore throat from the \_\_\_\_\_ Verb - Present ends

\_\_\_\_\_ in ING

and the hangover completely worth it. It's hilarious what people say and do when they're drunk, it's even more hilarious remembering it later and making certain people feel \_\_\_\_\_ Adjective \_\_\_\_\_ about it. By the end of the week everyone was looking and feeling pretty \_\_\_\_\_ Adjective \_\_\_\_\_ but we all had some hilarious times.

I loved every minute of \_\_\_\_\_ Verb - Base Form \_\_\_\_\_ and shenanigans. I felt a bit like I was \_\_\_\_\_ Number \_\_\_\_\_ again. The best part was having all these cute sales guys buying me \_\_\_\_\_ Noun - Plural \_\_\_\_\_ and making me \_\_\_\_\_ Verb - Base Form \_\_\_\_\_. A girl could get used to it, that's for sure! I definitely made some friends and hope to \_\_\_\_\_ Verb - Base Form \_\_\_\_\_ some of them in the future. Someday I'll behave, but not right now. My next big excitement is \_\_\_\_\_ Location \_\_\_\_\_ for my birthday. I can't wait!
