The Republican Platform

Slight paraphrasing of Page 10 of the Republican Platform of 2012:

"[Name of a GLBT Friend or Family Member and Name of the Partner of that Friend or Family Member] represent an assault on the foundations of our society, challenging the institution, which, for thousands of years in virtually every civilization, has been entrusted with the rearing of children and the transmission of cultural values.

That is why Congressional Republicans took the lead in enacting the Defense of Marriage [From

 Name of a GLBT Friend or Family Member and Name of the Partner of that Friend or Family Member] Act, affirming the rights of States and the federal government not to recognize [Name of a GLBT Friend or Family Member and Name of the Partner of that Friend or Family Member 's] relationship."

There's what the law says, and there's what the law means.
