# adventure for just monkey

one day the just monkey went to the           Noun           to visit their           Noun - Plural           but on the way they saw a           Noun                     Verb - Present Tense           at them so the just monkey leader pulled out a           Noun           and           Verb - Past Tense           the           Noun           well it it allways a good time to pack a           Noun           he said           Adverb
