Karma

One time my friend _____ Noun and I were walking to _____ Noun and saw the _____ Adjective thing ever! We saw this man running for the bus with McDonalds in his hand and there was this _____ Adverb crack in the sidewalk and he was running to fast that he tripped! Sharnika and _____ Pronoun said "OUCH! That had to hurt!" _____ Pronoun fell so hard that his Big Mac, medium fry, and his apple pie fell out his bag. When _____ Pronoun were laughing at the man Sharnika and _____ Pronoun almost got hit by a smart car! I guess karma comes back around quick.
