The Little Monster Grows Up

1.	Adjective			
2	Adjective			

The Little Monster Grows Up

The little monster woke up in the morning and had to what to do. When he looked outside an
saw that it was, he decided to stay inside and play with his toys. His favorite toy was a new to
he just got for his birthday, and lets him pretend that he is a big monster. The little monster decided to play in h
room and pretend that he was going to work as an Olympic swimmer.
