# walking home...oops

One day I was \_\_\_\_\_ Verb - Base Form \_\_\_\_\_ Location when I \_\_\_\_\_ Verb - Base Form on a pile of  
\_\_\_\_\_ Noun - Plural. My \_\_\_\_\_ Part of Body started to go forward and I \_\_\_\_\_ Verb - Base Form, doing a full split.  
My \_\_\_\_\_ Noun ripped just as my \_\_\_\_\_ Noun walked by. I was so embarrassed. She started to laugh at me  
very hard, but of course she was still \_\_\_\_\_ Adjective while \_\_\_\_\_ Pronoun was doing it. Humiliated, I got up  
and immediately started running away, with her still laughing pretty hard. I got to \_\_\_\_\_ Proper Noun the next  
day, and all my \_\_\_\_\_ Noun - Plural were staring at me. I started to cry. Then my best \_\_\_\_\_ Noun came in  
and comforted me. And I felt better.
