# PARTY TIME!

We were sitting in Cultural Literacy class at school. It was very boring so I started to pass around party hats because we were turning the class into a party. One of our \_\_\_\_\_<sup>Noun - Plural</sup> decided that he was going to join in because he seen what was going on. The teacher that decided to join was . \_\_\_\_\_<sup>Proper Noun</sup> and he's very \_\_\_\_\_<sup>Adjective</sup> so he looked like one of the kids. He came in the class and went straight to the backroom where he had things for a party. He \_\_\_\_\_<sup>Verb - Past Tense</sup> out with a \_\_\_\_\_<sup>Noun</sup> \_\_\_\_\_<sup>Noun</sup> and began dancing and all of the \_\_\_\_\_<sup>Noun - Plural</sup> got on the tables and begin \_\_\_\_\_<sup>Verb - Base Form</sup> and \_\_\_\_\_<sup>Verb -</sup> \_\_\_\_\_<sup>Base Form</sup> along. We didn't get caught though because we fixed everything up before Mr. Luft got back in.
