PARTY TIME!

We were sitting in Cultural Literacy class at school. It was very boring so I started to pass around party hats because we were turning the class into a party. One of our _____^{Noun - Plural} decided that he was going to join in because he seen what was going on. The teacher that decided to join was . _____^{Proper Noun} and he's very _____^{Adjective} so he looked like one of the kids. He came in the class and went straight to the backroom where he had things for a party. He _____^{Verb - Past Tense} out with a _____^{Noun} _____^{Noun} and began dancing and all of the _____^{Noun - Plural} got on the tables and begin _____^{Verb - Base Form} and _____^{Verb -} _____^{Base Form} along. We didn't get caught though because we fixed everything up before Mr. Luft got back in.
