Myrna's Mad Lib Birthday Messages

"On Your birthday, I would like to give you some pearls of wisdom

...Smile while u still have your intact."

"You know you are getting old when the Noun - Plural cost more than the cake." - Bob Hope

"A true friend remembers your birthday but not your age."

"The secret of staying young is to live honestly, eat slowly, and lie about your age."

"Growing old is mandatory; growing up is optional." - Chili Davis

"On your birthday, let me wish you plenty of joy, I know you're too old, but I still bought you a toy!"

"Inside every older person is a younger person - wondering what the hell happened."

"It must have been easier to remember your age when you were 25 every year"

"Want to get all wild and crazy on this birthday. Rent an R-rated movie, eat chocolates and popcorn and stay up late till eight"

"You are as old as you can act."

"May this birthday not be your last!"

"Don't worry about your future, I am sure you will have a bright one, don't worry about the past, you can't change it, don't worry about the present, I have not got one for you!"

"I have been 29 since I was 29"

"May your day be filled with family, friends, and one hot chick!"

"Here's the secret to look younger: Dress like a teenager with baggy, over-sized clothes, they will hide your baggy, over-sized body."

"We know we're getting old when the only thing we want for our birthday is not to be reminded of it."

"I hope your birthday is absolutely splendid, when I open my mouth, your guests might get offended!"

"Age is just a number. A very telling number, but still just a number"

"May your wishes come true and your wife not find out"

"Birthdays are nature's way of telling us to eat more cake."

"For all the advances in medicine, there is still no cure for the common birthday." - John Glenn

"You're not thirty; you're eighteen with twelve years of experience."

"Today is your birthday, don't pull your hair ; look in the mirror, nature was fair ; not a day over twenty ; I'm kidding, you're plenty."

"Birthdays are good for you. Statistics show that people who have the most live the longest."

"What have you got to lose at your age? Other than hair, hearing, eyesight, flexibility, memory..."

"Be thankful your birthday comes just once a year... Think how old you would be if it came every month."

"You are only young once, but you can be immature for a lifetime."

"Just remember, once you're over the hill you begin to pick up speed."
