Lost

believe everyone was put on earth for a reason.
Whether you were put here to be a mail man, or to make kites.
That was your purpose of life.
I'm just like any other human being.
l like to, but prefer to
Many times, I have the plank of fear.
But I get rid of my worries, move on without a care.
Even with the judgments included in my life.
And The ones who want me to take a left instead of a "right".
I still move on with my life.
Like Noun Noun, My heart is full of people which I care for. I always give my best never
force myself to give more.
Pink Flowers, and thesun, Long hours, and tiring runs.
Sometimes I in thought or dismay.
But never have anything to"
Your Adjective "they tell me. " Adverb Adjective ". I appreciate it i Verb, but
what I wanna say is a heard it all before . Pronoun just going Preposition the same door.
Interjection Interjection !, I scream in my dreams. I want the person I once loved to come back.

She's

changed. My point is confusing, and "myself" is too much to explain.
