A Fairy Tale

Once upon a time there was a boy from Jersey and a girl from Colorado. When they first met the boy was wearing a Noun on his head and the girl thought, "maybe this is my Prince Noun !" They used to sing, "You Are My Sunshine" to each other with silly words in place of the real ones. Then the girl moved Verb - Present ends in ING away. It broke the boy's heart. She used to tell him he was her favorite-he told her she was the Noun . Even though she was studying development her mind was on him a lot. She missed his giant Noun and he missed her big Noun . When she flew back to Noun she knew she had to tell him: Jake Sacks, I love you.
