# The Factory

Once upon a time, there was a (           Noun           ) called (           First Name of a Person           ). Today was an (           Adjective           ) day because (           First Name of a Person           ) started a new job. The (           Adjective           ) job was at the (           Noun           ) factory. (           First Name of a Person           ) put on the (           Adjective           ) uniform and rode the (           Noun           ) to work. They arrived at the factory and it was filled with (           Noun           ). (           First Name of a Person           ) (           Verb - Past Tense           ) to the (           Noun           ), where they would (           Verb - Base Form           ) the (           Noun - Plural           ) until it was time to (           Verb - Base Form           ). (           First Name of a Person           ) started feeling very (           Adjective           ) after a few (           Noun           of time), so they decided to (           Verb - Base Form           ) some of the (           Noun - Plural           noun). "What are you (           Verb - Present ends in ING           )?" a voice (           Verb - Past Tense           ). (           First Name of a Person           ) (           Verb - Past Tense           ) around and found themselves (           Part of Body           ) to (           Part of Body           ) with their boss! "(           Noun           )" they cried, but it was too (           Adjective           ). "You need to (           Verb - Base Form           )!" the boss said, and (           First Name of a Person           ) (           Verb - Past Tense           ) as they (           Verb - Past Tense           ) out of the factory.
