## Poopy Diaper Part 4

The next morning, the \_\_\_\_\_<sup>Noun</sup> girl awakened to a wet diaper. Tears filled her eyes and she changed into a pair of white panties patterned with fish, dreading the next night when she would have to wear a diaper.

\_\_\_\_\_<sup>Noun</sup> took her into the classroom and sat down next to her, opening his text book and writing the historical info about Hitler that was on the board.

"Ja, ja, Ze fuhrer was-er- Austrian...." \_\_\_\_\_<sup>Noun</sup> muttered to himself as he wrote down the information. The

\_\_\_\_\_<sup>Noun</sup> girl slumped over her desk, drawing a cat in her purple notebook. She'd already written all of the info down, and had added a hitler cartoon for extra credit. \_\_\_\_\_<sup>Noun</sup> saw her fidgeting about, and he immediately knew that she needed to go to the bathroom. She put he hand up delicately whilst squirming.

"Uh- p-please herr teacher, may I go to ze bathroom?" She whimpered, holding her skirt.

"Ja, ja, vatever, oh I love your drawing! You got ze moustache just right!" The teacher smiled.

The austrian girl ran out of the room to the bathroom. That was a close one.

"Oh, ja, vilst on ze subject of bathrooms, \_\_\_\_\_<sup>Noun</sup>, when your diaper is messy, go straight to the nurses' office. Ve don't vant you stinking up ze classroom, ja?"

\_\_\_\_\_<sup>Noun</sup> blushed. 'Ja, herr t-teacher." he whispered.

"Now class, today ve vill be re-enacting ze fuhrer's birthday party. \_\_\_\_\_<sup>Noun</sup>, you can be Adolf, as he was diapered, ja? Zat \_\_\_\_\_<sup>Noun</sup> Girl, \_\_\_\_\_<sup>Noun</sup> can be ze fuhrer's girlfriend. Ze rest of you can be guests, ja?"

\_\_\_\_\_<sup>Noun</sup> blushed. He really loved being Adolf, but \_\_\_\_\_<sup>Noun</sup> as his girlfriend? Also, why was her name

\_\_\_\_\_ Noun if she was \_\_\_\_\_ Noun?

\_\_\_\_\_ Noun came back to class and stood at the front of the class as they re-enacted Hitler's birthday party. A

boy tried to flip \_\_\_\_\_ Noun skirt up, but she gave him a swift hit with her party hat.

At recess, \_\_\_\_\_ Noun sat on her own, eating onigiri and sushi rolls. She drank some green tea too, but

\_\_\_\_\_ Noun had a pervy suspicion that that tea would be making a large wet patch on her panties later.
