poopy diaper 5

_____ Noun was right. _____ Noun stood up and held herself, crossing her legs as an waterfall of pee trickled down her legs and made a large puddle on the grass. Haru fell to the floor and cried, tears falling down her cheeks. _____ Noun hugged her as she sobbed, and many others came to comfort her. A handsome and sensitive boy called Lucius who had blonde hair and blue eyes took her to the nurses' office for a change of clothes and some of her cat syndrome medicine. She changed into clean _____ Noun panties and a pleated skirt similar to the one she'd had on before. She came back to class with red eyes and was comforted by the whole class and given her bento that she'd left on the grass.

Lucius blushed and walked up to her. "I'm sorry about what happened." He smiled sympathetically in an _____ Noun accent. "I'm sure that you'll be fine. Probably just too much juice or something!"

_____ Noun took a deep breath and sat next to Lucius, abandoning her normal seat next to _____ Noun. "Danke, Lucius." She beamed, folding her skirt.
