Jackknife goes to the zoo

Jackknife pulls a keg out from behind a ______ in a wooded area. He grabs the tap and pours Drink into his mouth. He burps loudly and looks down to see a baby bear at his feet. The cuteness of the Adverb. The Adjective bear stands on it's hind legs. Without hesitation, the bear hits Jackknife with its <u>Body Part</u>, hurdling him through the air. Bruised and bloodied Jackknife throws a <u>Noun</u> at the bear and runs into an authorized personnel only security area. He blindly runs over zoo surveillance controls, knocking over ______ and electrocuting nearby security guards. The fried remains of a guard fall on a button, releasing all the animals from their cages. On security screens we see ______ and Animals trampling guests. Animals quickly eat their corpses. The mother bear returns and looms over a little girl. Just as the bear is about to eat the girl, Jailbot bursts out from inside the Bear, spewing blood everywhere. To repair the damage, Jailbot grabs a nearby bunch of ______ and hands them to the girl. Jailbot flies over to Jackknife where he is fighting _______ in their cage. Jailbot grabs Jackknifes by the <u>Body Part</u> and flies him off to Superjail. As they leave we see a giant <u>Noun</u> where the zoo used to be.
