THE SMURFS

One day Papa Smurf randomly turned into a Adjective concrete noun. The other Adjective smurfs didn't know what to do. common noun Smurf was usually the compound noun of the military. However Papa Smurf action verb Tank Smurf to Adverb nuke proper noun. The collective noun tried to run from the Noun - Plural, but possessive noun singular noun trapped them. Pronoun didn't look good Preposition there. Fortunately it was just a abstract noun of Papa Smurf, interjection!
