James's Rash

James woke up with a Noun rash. He decided he would go to the Noun to look for some
to make it stop Sadly, all he found was, not
He decided that he would go to the to buy some instead.
When he got to the, he asked the clerk if they had any. The man pointed him toward the
of the, where James found what he was looking for. When James went to
pay for the, he made a very sad discovery. The clerk told him that the would cost
\$
back headed home. When he got there, he decided that he would take a bath in
, which he had heard helped to verb Verb - Present Tense So James took a
bath in the rash. He was so frustrated of the ras
that he decided to try to heal it. So he went to see Mr He He
noun the healing shop in Proper Noun town Pennsylvania. He gave James a good long bath in
itch chemical. That is what finally cured his rash.He was very
abstract noun that the rash was gone. It was also the end of a interjection vet Adjective day
