meme battle

in a Adjective night a meme named forever alone was in a Noun store .but out of nowhere another meme named me gusta. me gusta had Adjective tnt. but forever alone knew that me gusta was Verb - Present Tense soon.forever alone was already prepared.he had a Noun sword. and thats how the meme batttle began.they were fighting for their Noun not for fun but for their Noun. in a while me gusta set the tnt fuse on fire after a while the tnt exploded .both memes died but their souls kept on fighting forever.
