# Henry's time at Hershy Park

Henry was a           Noun           that decided to go on vacation to           Adjective          . Before he went on any ride he decided to go to a           Noun           to eat a           Adverb                     Adjective           taco. "          Interjection          !," Henry said. This           Noun           is           Adverb           long! Henry started to           Verb           because           Proper Noun           was on it's way           Coordinating conjunction                     Pronoun           were searching for animals to be on           Proper                     Noun                     Coordinating conjunction                     Proper Noun                     Noun                     Noun          . They choose Henry to be the special animal in the           Noun - Plural          . After they finish shooting all the film they get hungry, so they look at the           Noun           and say "Let's eat em'!" And everyone lived happily ever after, except for Henry.
