# skatepark mishap

I remember when I used to go to the skatepark. When I'd get there, there would sometimes be a \_\_\_\_\_  
\_\_\_\_\_ in there. We don't like bikers in our skatepark, because it makes it  
dangerous for the skaters. You \_\_\_\_\_ gotta be \_\_\_\_\_ in the \_\_\_\_\_, no matter which  
\_\_\_\_\_ you go to. It is a good idea to wear \_\_\_\_\_ gear so you don't get hurt \_\_\_\_\_  
bad if \_\_\_\_\_ fall. When you do fall, because it will \_\_\_\_\_, you have to \_\_\_\_\_ it up  
and walk it off. When the pain subsides, get \_\_\_\_\_ to it. Well after I got back to it, I tried to learn a  
\_\_\_\_\_. I tried to learn a nose slide on a round rail. That was a bad idea.  
\_\_\_\_\_ I fell I \_\_\_\_\_ broke my \_\_\_\_\_. For the first couple moments afterwards I  
couldn't even breathe very good. I rolled away from the rail so I didn't get hit by a \_\_\_\_\_ or by another  
\_\_\_\_\_. It took a good minute or two to catch my \_\_\_\_\_, then I limped my broken self out of the  
\_\_\_\_\_ to go \_\_\_\_\_ and tend to my \_\_\_\_\_.
