Maine-based \_\_\_\_\_  
\_\_\_\_\_ Jessi Sader \_\_\_\_\_ her inspiration from the antique and  
\_\_\_\_\_ textiles that surround her. Since she was a \_\_\_\_\_, Sader has loved combing the racks  
of thrift \_\_\_\_\_, scavenging the attic for funky clothing from a bygone era, and sifting through tins  
of \_\_\_\_\_.

"I'm kind of obsessed with \_\_\_\_\_ things in my life -- old friends, old furniture, history," Sader  
\_\_\_\_\_. "I prefer the simplicity of past \_\_\_\_\_ to the hustle and bustle of today.  
And the craftsmanship of vintage things is incredible."

For her label FXDressed, Sader \_\_\_\_\_ the simplicity, tactile appeal and quality of vintage  
goods and reimagines them for modern living. The result is \_\_\_\_\_, \_\_\_\_\_, and infinitely  
\_\_\_\_\_.
