Brain nerds!

Once upon a _____ Noun there was a poor _____ Adjective man stuck in _____ Noun class. He _____ Verb - Past Tense trying to figure out how he was going to pass the brain test. He sucks at memorization. So he started out by _____ Verb - Present Tense the _____ Noun - Plural with _____ Noun - Plural that go along with the names of them. So for example the frontal lobe he colored fusia so he associates _____ Noun with frontal lobe on the test. Now he saw _____ Noun area.... And thought oh goodness I don't even know what this is! So what better thing to use but _____ Verb to find _____ Noun - Plural. He found out that it is the ability to _____ Verb speech. So He associated broca with broken speech. To memorize the lobes, he uses the phrase _____ Noun passed out too! Franny=frontal lobe, passed= parietal lobe, occipital lobe, and temporal= too! He is feeling a lot more _____ Adjective for his exam, after coming up with these _____ Noun - Plural.
