Build-A-Bear

Yesterday, I went to Build-A-Bear for my friend, Brooklyn's, birthday Noun. When first got there, I was looking for Brooklyn and then I found her. She was wearing a Color dress. I picked a Animal called "Bearemy" and she picked a Animal named "Stripes".

When we started making our bears, we first put 2 Noun - Plural inside our bears. But Brooklyn got more Noun - Plural because it was her birthday party. We put the hearts on our hearts and wished the bears a happy Noun. Next, we put the stuffing in them that makes them Adjective and cuddly. Then we got to "wash" our bears with air! After they were all Adjective, we got to dress our bears. I picked a Victorious shirt with a jacket, pants and Noun - Plural. When the bears were all dressed, we got to name them. I named my Animal Gracie! When we were done, we all sang "Happy Birthday" in our Adjective voices to Brooklyn.

After Build-A-Bear, we all went to The Food Factory. I ate Food, French fries and ice cream with Adjective cream.
